EASE

PRESIDENT MOUL: If I could have the Legislature's attention, please, we will proceed with bill introduction.

CLERK: Madam President, new bills. (Read LBs 1007-1028 by title for the first time. See pages 222-227 of the Legislative Journal.)

Madam President, in addition to those items, I have two resolutions. (Read brief explanations of LR 214 and LR 215. See pages 227-230 of the Legislative Journal.) Both of those, as is custom, will be referred to Reference for public hearing.

Madam President, I might add I have received a notice of priority bill selections from Senator Landis, Senator Hefner, Senator Horgan and Senator Schmit. I have also received an Attorney General's Opinion addressed to Senator Wehrbein by the Attorney General. And, finally, Madam President, a series of adds: Senator Schrock would like to add his name to LB 963 and to LB 874, and that is all that I have at this time, Madam President.

PRESIDENT MOUL: Thank you, Mr. Clerk. I have no further messages on the desk. I would recognize Senator Schimek for a motion to adjourn if she would so please.
